

## 2430 Lift Lid Desk

Environments that Inspire Learning

### Features

#### Book Box:

- One-piece, drawn, die-formed book box of 18-gauge steel with rolled edges and a deeply embossed bottom that adds extra strength
- Includes dual adjustable hinges for proper tension
- Large pencil tray is included

#### Frame:

- Upper legs are fabricated of 1 1/8" diameter, 18-gauge tubular steel
- Lower legs are formed from 1", 18-gauge steel with a nickel-plated chrome finish
- Includes four internal-gripping swivel glides

- All units adjust to 23 1/2", 25", 27" and 29 1/2" heights, using an allen-head, dog-point screw

#### Work Surface:

- Desktops are available with a 19" x 24" Plywood Laminate Top or 18" x 24" Hard Plastic Top
- Plywood Laminate Top features 3/4" thick, 13-ply hardwood core with a high-pressure laminate surface and phenolic backer sheet to minimize warping. Edges are beveled and sanded smooth with a lacquer finish.
- Hard Plastic Top is formed from 5/8" thick, high-impact solid plastic that has been molded into a homogeneous unit by heat and pressure
