

Combination Desk

Hard Plastic Top

Combination Desk with
Optional Wire Book Basket

Combination Desk with Laminate
Top and Black LockEdge

Features

Seat:

- One-piece, injection-molded, polypropylene shell with even color and subtle texture
- Shell and tubular steel frame are ergonomically designed to offer upper back and lumbar support
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Convenient integral handle in the upper back for easy carrying
- Chair with 18" A+ seat height features an extra-wide shell that provides 30% more seat surface

Frame:

- Self-supporting frame with 1 1/8", 16-gauge tubular steel legs, work surface support and connecting tube between the legs
- Seat supports are die-pressed 14-gauge steel that are punched for concealed seat rivets

- Available in nickel-plated chrome or black powdercoat finishes
- Optional field installed wire book basket is available

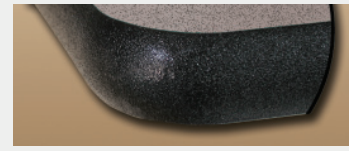

Work Surface:

- Desktops are available in 18" x 24" and 20" x 26" sizes with three surface options
- Laminate Top features a 9/16" thick MDF core with a high-pressure laminate surface and phenolic backer sheet to minimize warping. Edges are sealed with polyurethane and include a 1/2" eased edge on the student side for added comfort and style
- Laminate Top is also available with black polyurethane LockEdge that offers easier cleaning and added durability
- Hard Plastic Top is formed from 5/8" thick high-impact solid plastic that has been molded into a homogeneous unit by heat and pressure
