Early Childhood Four Leg Chair

Features

Seat:
- Ergonomically designed, one-piece, injection-molded, polypropylene shell with even color and subtle texture
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Provides side to side flexibility to adjust to a variety of body profiles
- Available in 5 seat heights
- Convenient handhold in the upper back for easy carrying
- Unique molded indentations on both sides of the chair back prevent shifting or leaning when stacked

Frame:
- Legs are 1 1/8”, 18-gauge tubular steel
- Available with nickel-plated chrome, black powdercoat or matching color powdercoat finishes
- Choose from nylon, steel, felt, rubber or matching colored ball glides
