Inspire Learning

## Elliptical Cantilever Desk

### Features

#### Frame

- Stable, elliptical frame is formed from .75" x 1.35", 14-gauge tubular steel
- Extra support is provided by two horizontal cross bars and angled side support bars
- Nickel-plated chrome or black powdercoat finishes assure long-lasting durability

#### Worksurface

- Available in 20" x 26" sizes with three worksurface options
- Laminate Top features a 5/8" thick MDF core with a high-pressure laminate surface and

phenolic backer sheet to minimize warping. Edges are sealed with polyurethane and include a 1/2" eased edge on the student side for added comfort and style

- Laminate Top is also available with a black polyurethane LockEdge that offers easier cleaning and added durability
- Hard Plastic Top is formed from 5/8" thick high-impact solid plastic that has been molded into a homogeneous unit by heat and pressure

Extra-Durable LockEdge Coating is Sprayed On, Creating a Permanent Seal that is Impervious to Bacteria and Moisture
