

Swivel Stool

Environments that
Inspire Learning

Features

Seat

- Ergonomics meets versatility with the sleek, injection-molded, polypropylene shell
- Combining contemporary looks, durability and flexibility, the modern shell design supports active learning environments and makes it easy to rearrange furnishings for student collaboration and interaction
- The contoured shell provides extra lumbar support, while the smooth back design offers easier maintenance
- A waterfall seat edge reduces pressure points and promotes better circulation to enhance ergonomic comfort
- Two handle openings on the top and bottom of the shell boost airflow and enhance portability

- Available in 6 classic colors and 6 fresh new choices
- Choose from 2 shell sizes. Stool with A+ shell provides a wider, more accommodating seat size
- Stool swivels 360°

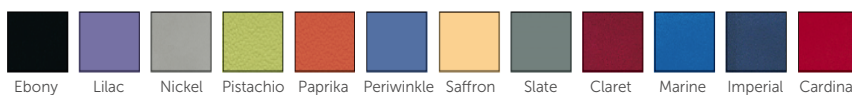

Frame

- Adjustable legs from 23 1/2" to 32 1/2" in 1" increments with a Phillips locking adjustment bolt
- Footrest is welded to frame and is formed from 3/4", 18-gauge steel tubing
- Internal gripping swivel nylon glides have a raised radius inner dome to ensure alignment. Glides have no cuff or collar to eliminate dirt build up
