## Features

**arm height adjustment**  
Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.

**tilt tension control**  
Increase or decrease tilt tension depending on user's body weight.

**center-tilt**  
Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.

**back angle adjustment**  
Adjust to change the angle of the back in relation to the seat. Will allow for multiple angles based on individual's size.

**seat height adjustment**  
Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

**waterfall seat**  
Reduces pressure at the back of the knee allowing for good blood flow.

**forward seat tilt**  
Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Allows for full back support when working at a computer.

**width adjustable arms**  
Adjusts arms inward or outward to match an individual's shoulder span for maximum comfort.
