- Abrasion rating is 30,000 cycles
- Meets ANSI/BIFMA standards: certified for an 8-hour work day

Features

back height adjustment

Raise or lower to support the lumbar (lower back) region.

seat depth adjustment

Change the depth of the seat to accommodate the length of your thighs. Keeps you back in contact with the backrest while avoiding pressure behind your knees.

arm height adjustment

Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.

seat height adjustment

Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.

width adjustable arms

Adjusts arms inward or outward to match an individual's shoulder span for maximum comfort.
