

Elliptical Cantilever Desk

Environments that Inspire Learning

Hard Plastic Top Desk

Laminate Top Desk with LockEdge

Laminate Top Desk

Features

Frame:

- 1 1/4" elliptical legs with 13-gauge steel tube
- 13-gauge cross tube welded to mid section of leg assembly for strength and stability
- Gray powdercoat frame; upper frame is standard powder coat

Work Surface:

- Work surface height is adjustable from 22" to 30"
- 20" x 26" desktops are available with a hard plastic or laminate surface in two edge styles

- Laminate Tops feature a 5/8" thick MDF core with a high-pressure laminate surface and phenolic backer sheet to minimize warping. Edges are sealed with a light neutral paint or black polyurethane LockEdge that offers easier cleaning and added durability.
- Hard Plastic Top is formed from 5/8" thick high-impact, solid plastic that has been molded into a homogeneous unit by heat and pressure.
