

## Elliptical Study Top Desk

Environments that  
Inspire Learning

Hard Plastic Top Desk  
with Optional Metal Book Box

Laminate Top Desk with LockEdge

Laminate Top Desk

### Features

**Frame:**

- Features 16-gauge oval tubing with formed mounting brackets
- Pedestal base adjusts from 22" to 30" heights
- ABS plastic scuff resistant foot guard
- Black powder coat upper frame
- Optional chrome wire book rack or black perforated metal book box is available

**Work Surface:**

- Available with a hard plastic or laminate surface in two edge styles

- Laminate Tops feature a 5/8" thick MDF core with a high-pressure laminate surface and phenolic backer sheet to minimize warping. Edges are sealed with a light neutral paint or black polyurethane LockEdge that offers easier cleaning and added durability.
- Hard Plastic Top is formed from 5/8" thick high-impact, solid plastic that has been molded into a homogeneous unit by heat and pressure
