Features

The 21st Century classrooms are becoming more collaborative and hands-on with innovative high-tech projects. Classroom Select® Makerspace Mobile Carts offers the furniture to complete projects providing optimal organization to engage, learn and collaborate.

Makerspace Mobile Carts

- We've made each cart with a backside that has a magnetic markerboard for those necessary project drawings and notes (not included on tool storage cart)
- Each cart comes with a set of 10 hanging pegs
- Carts with cabinet tops are 1.75" finished solid wood butcher block
- Shelves are constructed of 5/8" durable melamine core and held in place by zinc cast pins
- Doors are made of durable 3/4" thick black melamine

- Side panels are 16 gauge perforated peg board in black color to match melamine panels
- Two (2) casters are locking and two (2) casters are non-locking for all mobile carts
- Large handle included on all carts

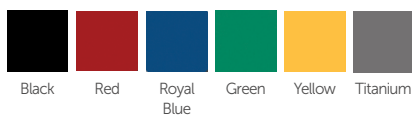

Makerspace Table

- Makerspace 30" x 60" Activity Table is generous in size and adjusts in height 30"-43"
- Makerspace Activity Table is available in laminate or markerboard dry erase tops and LockEdge or T-mold edge options
